

**Struggling to know what to post?**

# **70 Content Ideas for Small Business Owners**

7 industries, 10 ideas each.

Ready-to-use captions + hashtags.

**Synergy Social**

**Simplify. Connect. Thrive.**

# How to Use This Guide

This guide gives you 70 ready-to-use social media content ideas across 7 sectors, including a set of generic posts that work for any business. Each idea includes a caption you can adapt and hashtag suggestions to help your posts reach the right people.

## A few tips before you dive in:

**Customise the captions.** Anything in [brackets] is a placeholder. Swap these out for your own details and let your personality shine through.

**Keep it real.** The captions are written in a friendly, genuine tone. Your audience will respond best when they feel like they're hearing from a real person.

**Mix and match.** You don't have to stick to just your sector. Many ideas in the Generic section (or even other sectors) can be adapted to work for your business.

**Plan ahead.** Use this guide to batch your content for the week or month ahead. Consistency matters more than perfection!
